Jewelry Maintenance Card 

- Every piece is unique because it is a handmade jewelry
- This ornament mainly uses resin and dried flowers as materials, so it is normal if the color changes over time
- Please do not let this jewelry come into / contact with water for a long time. It is recommended to remove this jewelry when swimming or bathing, in order to keep its original color and reduce the chances of fading
- If you do not wear this jewelry, it is best to store it in a sealed bag or container to increase the durability of this jewelry
- Thank you for loving our work, we appreciate your continue support to our business!

Sold items are non-exchangeable and non-refundable unless there is a quality issue.
